August 2022

Dear Congregant:

Last year for the High Holidays, we were forced to make some difficult choices. While COVID has not gone away, many of us are now doing more in public and trying to establish our post pandemic life. TBT is no different. This year, we are so excited that we will be having all High Holiday services in person, in our Sanctuary. For those who prefer, we will be offering a remote option as well. Our High Holidays will again be filled with meaningful prayer, reflection, and togetherness.

When deciding how to attend services, consider your own health conditions and risk tolerance. As of now, masks will be optional, but encouraged. Our level of security will remain at a high level, as it has always been during the High Holidays. Please be patient with our security measures as they are for the safety of all congregants. Ushers and security staff will be checking tickets at the door. Each member, regardless of age, must present a ticket with their name on it. Tickets are non-transferable. Check the options for services when deciding which ones to attend. Please send in ticket requests as early as possible to help us plan accordingly. Accounts need to be current to receive your High Holiday tickets.

Kol Nidre donations have historically supported congregants in need, allowing them to continue to pray, take advantage of our incredible programming, and keep their children enriched in our schools. Since many congregants have been adversely affected by the pandemic and the current financial climate, our Kol Nidre donations carry greater import than in years past. Please join us for our Kol Nidre service, or you may include your Kol Nidre pledge with your ticket request.

Contact Kathy in the Temple office at 631-643-1200 x310 with any questions or concerns. If there are any special circumstances or needs, we will be happy to accommodate.

I look forward to seeing many of you in person this year. If, at the time of services, you are not feeling well and may be contagious, please choose to pray remotely. We will continue to carefully monitor the local COVID case trends and any government restrictions. I hope you and your families are well and that we continue to grow together as a Temple community, as we redefine our post pandemic normal.

Kind Regards  
Stay safe,

*Brian Goldstein*  
Temple President
