

Life Is Good By Fern T. Holtzer

In these challenging times we are so blessed to have our family close by. Because of the fact we are so close, we're able to see our sweet granddaughter Mollie, the apple of our eye, very often. With everything going on in our country, LIFE IS GOOD. We are so very blessed.

My husband Allan and I have been members of Temple Beth Torah for 30 years. The highlights of our time at TBT was seeing both our boys, Eric and Adam get Bar Mitvahed. Then 10 years ago I had the great honor to achieve my Bat Mitvah at TBT as well.
