

L'CHIAM

By Lynn Levine

The unexpected lesson I learned this year is the true meaning of the Jewish toast “l’chiam. Previously it was just a word we said with a glass in our hand. Now after battling Covid 19 and almost not making it, l’chiam has a new and precious meaning. Life truly is precious and could be taken away anytime. So to everyone I say l’chiam.

Lynn and Bill have been members of TBT for about 20 years. They have 1 son, Seth who lives in New Haven Connecticut.
