Temple Beth Torah is proud to honor Henry Arnberg by donating a portion of this event’s proceeds to Voices Against Brain Cancer.

Voices Against Brain Cancer was started in loving memory of Gary Lichtenstein, who lost his valiant battle with brain cancer on October 1, 2003. Soon after his passing, Gary’s family started Voices Against Brain Cancer to raise money and awareness for the fight against this illness.

Each year more than 200,000 people in the United States are diagnosed with a primary or metastatic brain tumor. Primary brain tumors comprise approximately 40,000 of these diagnoses. Brain tumors are the leading cause of solid tumor cancer death in children under the age of 20, now surpassing acute lymphoblastic leukemia (ALL). They are the second leading cause of cancer death in male adults ages 20-29, and the fifth leading cause of cancer death in female adults ages 20-39.

The mission of Voices Against Brain Cancer is to find a cure for brain cancer by advancing scientific research, increasing awareness within the medical community and supporting patients, their families and caregivers afflicted with this devastating disease.
