You shall bring t’rumah - gifts to the mishkan-sanctuary as your heart so moves you.

This is the essence of the concept of t’rumah found in the book of Exodus. Everyone is able to participate in the building of the mishkan-the sanctuary. So many members of Temple Beth Torah have shared the amazing gifts of their hearts and minds with TBT over the years. This is not a synagogue built by one person - as a matter of fact we are constantly being reinvented by amazing, dedicated people, just like you. Here are several ways you can bring your t’rumah to the mishkan.

1. Fill out the URJ Benchmarking survey to help us see where our strengths and weaknesses are as a congregation. Feb 11-March 3.
2. Participate in the Listening Campaign party at which you will have a chance to share what really matters to you and your ideas for how Temple Beth Torah can help to make the world a better place.
3. Attend a Town Hall meeting to learn about and give feedback regarding new membership plans for TBT.
4. Vote Reform at the World Zionist Congress Elections to bring much needed funds to support pluralism in Israel (the belief that all forms of Judaism are valid and that Reform as well as Orthodox Judaism).
5. Attend one of the many social and/or fundraising events coming up in the next few months. Here are a few.
   a. Comedy Night on February 29th. (I’m so excited that my daughter Shira is one of the comedians.)
   b. Purim Carnival on March 8.
   d. A Friday night service and Shabbat Dinner/Program.
   e. Jewboozie with Cantor Appelbaum and the He’bros.
6. Come learn at I-Engage, Jewish Tangents, Adult B’nei Mitzvah, a PACT or Torah Yoga.
7. Join in one of our Social Action projects: Epi-pens for Israel and supporting Aviv’s hometown of Sederot, or Habitat for Humanity.

This isn’t just a list of things going on at TBT, this is an invitation for you to participate in the life of the Temple. These are ways for you to get involved- to share your gifts with the community. The Mishkan - the Sanctuary is place, but the life of the Temple is the people that work together to create the place. It’s your turn to be a vital part in this endeavor.

Why does God tell the people to bring a T’rumah? So that God can dwell among us. Please, be part of this holy project.

What t’rumah (voluntary gift) does your heart want you to bring to create a Mishkan? I can’t wait to find out.

Dear Congregant,

The holidays and family vacation now feel like a distant memory. For our house, our older son is back at school and our younger son is finalizing his college choices. It seems to be happening so fast that Ira and I may be joining the “empty nester” phase of life.

As always, so much is happening! We just recently had a meaningful MLK service, impactful Midnight Run, another successful Blood Drive and so much more. Thank you to all that organized and participated! There is something for everyone, whether you want a fun filled family activity, grow as a person or act locally to help globally. Business Networking Group, ADEPT, Social Action, Sisterhood, Brotherhood, Teen Programming, and Youth Group all have ways to suit all of your needs. Look at the weekly emails and our newly designed website for the up to date happenings around TBT.

So, what’s next at the temple? There is so much to share. I am inviting you all to attend any and all of these amazing events! Comedy Night (February 29th), Casino Night (March 21st), Vendor Fair (May 3rd), Broadway Show Beauty and the Beast (May 7 and May 8). The Purim Spiel and Carnival will take place Sunday March 8th, Purim is always a fun filled day spending time with family and friends as well as enjoying cotton candy, carnival games, raffles and a bounce house!

You may have received emails about TBT participating in a Congregational Benchmark Assessment program through URJ. This is to provide input into our overall performance and understand the needs of our community. This also creates local/national benchmarks to which we measure ourselves against. Please participate in the survey that will be emailed to all. This is also being done in conjunction with the Listening Campaign. Our trained listeners have been meeting in small groups with congregants to listen and be heard on different aspects of life.

During my Kol Nidre appeal I spoke of exploring the possibilities of changing the way we approach membership dues with different structures to work for everyone in the different stages of their lives. We have been having many meetings to discuss potential solutions that will work for families and help sustain TBT. We will also begin holding Town Hall Meetings to make sure everyone is part of these changes. I encourage you to attend the membership meetings and/or Town Halls to give your input and help support the changes we hope to make so TBT continues to be your forever second home.

I look forward to seeing you at the upcoming events. I encourage you to get involved. If you do not know how, reach out to me and let’s discuss the ways you can contribute.

CANTOR’S CORNER

Thank you so much to everyone who came out to the Martin Luther King Service on January 17th. It was an awesome and inspiring event in every possible way, and I am grateful to everyone that helped to make it happen, and came to enjoy it.

Special thanks to our choir and musicians that participated, and of course to our friends from the City of Oasis Church. I can’t wait to celebrate year 5 of this collaboration.

The annual Purim Spiel is Sunday March 8th at 10 AM. The music is all parodies of great Elton John Songs, and the cast is unbelievably adorable and entertaining. Do Not Miss It!!!!

Save the date!! Friday April 3rd after services.
Sarene and the He-Bros are reuniting for some rockin’ music, food, and drinks.

I am proud to announce that the TBT Social Action Committee is supporting an initiative to collect much needed items for local animal rescue organizations and animal shelters. The first rescue group we are helping is very near and dear to my heart. We adopted our much loved, unbelievably adorable, and charming Goose from Yorkie911 in October of 2018. We were very impressed that their process of becoming eligible to adopt was so thorough and thoughtful, so compassionate and concerned. Goose was an 8 year old dog left at an animal shelter in New Jersey. Yorkie911 found him, placed him with one of their fosters, and we are eternally grateful that he eventually made his way to our home. Goose was ill when we adopted him and they made sure we had all the veterinary assistance we needed, to get him well again.

Please help us to collect the items that this dynamic network of fosters are so in need of, to care for their precious pups. Many of the dogs they foster require serious medical attention and medication, and have dietary restrictions that make their care time consuming and expensive. I am honored that we can help them do this important work.

Winter Wonderland

Things are busy here at the David Joshua Berg Nursery School; keeping us nice and warm during these winter months. Early bird enrollment has ended and we are accepting registration for the 2020 summer and school year. This summer we have opened up registration for a 5-day program for our incoming toddlers. Classes are filling up so register today!

Our Shop and Schmooze in December was a big success! Thank you to all the people that helped support our Nursery School. At our next Nursery Committee meeting scheduled February 4 at 9:30 am we will begin discussion about updates to our playground and backyard area. All Nursery Families are welcome, so please join us!

February brings us Tu B’Shevat, 100 Day of School, MDA Hop A Thon and Dental Health Week. A lot to keep the students engaged and excited about learning.

We have two fabulous Mommy & Me classes running this semester. On Wednesdays you can rock with Miss Gayle beginning at 9:30 am, and on Fridays you can bop and sing with the Little Aardvarks beginning at 9:45 am. Both classes are good for babies through 4 years old! If you would like to try one out... just let us know. Registration for the Spring Session will begin March.

Stay warm,

Jen

DON’T FORGET ABOUT PURIM PRESALE
DUE BY FRIDAY, MARCH 6TH @ 2:00 PM
As I write this, we are on the precipice of Baseball season beginning, so I hope you will humor me as we are in the **homestretch** of our Religious School year!

I am so proud of the many students in our school who dedicated themselves during Purim to making booths or working on the Spiel! This is the largest fundraiser we hold every year for Youth Group. So many of our kids love coming to Youth Group and it warms my heart to see our kids giving back to the great program Beth and Nicole oversee. Thanks to all of our kids for making it a **home run!**

You can feel **safe at home** during April if you prefer to get your Collage credits around your own Pesach table. There is also a fantastic Mother-Daughter weekend retreat in the Berkshires. These fill up fast, so please ask me about it before it is too late! We also wish our 7th graders a Mazel Tov on their Commencement from Religious School. They are such a special class this year - I can’t wait to see them at our Teen Programs!

We **slide** into spring with some wonderful events in May. This includes our Yom Ha’Atzmaut service led by the Teen Band, and making a farewell card for Aviv, our Israeli Exchange Student.

There are so many ways to keep our school a program of excellence. Reach out to me or to our Education chair, Melissa Zonis (melissazonis@yahoo.com) for all things Religious School and Teen Programming. We won’t **balk** at your feedback; we will **double** and **triple** our efforts!

Listening Campaign

We are embarking on an outreach and listening program in our congregation in an effort to strengthen our community. We, the clergy and the leadership, want to know how to better serve the community and address its needs, including: strengths, ideas, passions and concerns. We are approaching this through small group meetings hosted by TBT members.

We will identify issues affecting our Temple community and develop initiatives, campaigns and programs that arise out of our common concerns voiced at these meetings.

Listening Campaign parties are being organized now. If you would like to join a listening group meeting please sign up at [http://bit.ly/TBT_Listening-Campaign](http://bit.ly/TBT_Listening-Campaign) or go to the www.TBTNY.org to access the link.

The Social Action Committee enables the members of our temple to engage in community outreach programs that bring needed services to our neighbors. We need volunteers to help plan and staff activities. Upcoming Activities:

- **The TLC committee** - We help temple members who are suffering temporary crisis by providing food, transportation or camaraderie. We would like to start a bereavement group at the temple. Please contact the office if you are interested.
- **Lend A Hand** - For 10 years our Temple has participated in Lend a Hand Project. This project allows for the anonymous adoption of a family in need. Four times a year, our temple family gives items, presents, gift cards or cash to our adopted family. They only know that we are a synagogue and we only know their first names.
- **Habitat for Humanity** - The Temple is helping build a house in Suffolk County for a deserving family on April 25th. The event is full, but you can put your name on a waiting list at the Temple Office. Another event is planned for the fall, so sign up now so you don’t get closed out!
- **Coalition for the Homeless** - The Social Action Committee is excited that we will be sponsoring a table at the Long Island Coalition for the Homeless Vigil. This event will take place March 17th from noon to eight pm at Farmingdale College. If you are interested in joining us, please contact Miriam Hirsch
- **Yorkie 911** - The social action committee is excited that we will be collecting needed items, such as Bounty paper towels, for a small dog shelter that is near & dear to Cantor Sarene Appelbaum. Look at our flyer for more details.

**Good stuff we have done this year**

- **Food drive** - We collect food on Yom Kippur for the The Mercy Inn soup kitchen.
- **Help Suffolk** - Our temple in conjunction with St. Mathews Church distributed clothing, toiletries and paper goods to the largest homeless shelter on Long Island
- **The Backpack Drive** - We provide backpacks full of school supplies to local students in need.
- **Blood Drive** in conjunction with South Huntington Jewish Center at Temple Beth Torah. January 26th. *The blood drive was a success. We collected 46 pints.* We look forward to working with the South Huntington Jewish Center on other worthy projects.
- **Midnight Run** - On January 25th Temple members gathered to go to New York City to hand out food and clothes to those in need. The evening was a success. One member stated that it was the best mitzvah project she had done at the synagogue.

Dear Congregant,

We lead such busy lives it is impossible to care about every cause (especially the ones that don’t touch us personally). But sometimes there is a matter so dear to others it begs our attention.

From **January 21, 2020 to March 11, 2020**, we can each vote in the World Zionist Congress election and end discrimination against Israeli citizens who want to live freely as Reform Jews.

Since Israel’s birth, the values and beliefs of Reform Jews have been overlooked and underfunded. With your vote, we can finally achieve representation at the table where critical policy and financial decisions are made.

**What is at stake? Eliminating the roadblocks to marriage, divorce and conversion, praying at the Kotel, gender rights, clergy rights as well as many other religious freedoms.**

Anyone who is 18 or older (by June 30, 2020), identifies as a Jew, and supports the Jerusalem platform (the official platform of the World Zionist Organization), can vote for the Reform slate. It will only take a few minutes and the $7.50 ($5.00 for ages 18-25yr olds) administrative fee per vote will defray the cost of the independent firm tabulating the results.

Temple Beth Torah is among the Reform Congregations proudly supporting this exciting election and we need your help in three important ways.

1. When voting begins in January, please urge your adult children and grandchildren, Jewish friends, neighbors and co-workers to participate. Voting will take place both at TBT and on-line (temple membership is not required).
2. Can you volunteer to work on the TBT election committee? Please email one of the co-captains below and we will assign you a job based on your interests and available time.
3. Finally, after you vote Email your name(s) to Saralee Rosenberg, saralee42@gmail.com, and in the subject line write: I/We voted.

On behalf of TBT’s World Zionist Congress Election Co-Captains, thank you for giving voice to the Reform Jewish movement and for recognizing the need for equity and justice in Israel.

Shalom Chaverim!
